Scripture Highlighting Key

Since color conveys information in a way that the mind can readily digest, we have marked this text to maximize the benefit to the quizzer.

Below is a description of how the text is marked:

Unique Words — words that are verse-unique. That is, words that appear in only one verse are in **bold**.

People — people, people phrases, or people groups that would be the answer to “Who” type questions. Examples include “Paul”, “David”, “the wise and the foolish”, “Gentiles” and “everyone who believes”. Some pronouns, like “you” or “they”, have been excluded.

Deity — words or phrases describing God. Examples include “the Son of God”, “Christ Jesus”, “the Creator”, “the immortal God”, and “the one man, Jesus Christ”. Because of its large number of occurrences, the word “God” is not highlighted unless it is part of a larger deity phrase.

Places — words or phrases that would be the answer to a “Where” type question. Examples include “Rome”, “Jerusalem” and “the hill called the Mount of Olives”.

Time — words or phrases that would be the answer to a “When...”, “For how long...” or similar type question. Examples include “beforehand”, “at all times” and “since the creation of the world”.

Numbers — words or phrases that would be the answer to a “How many...” or similar type question. An example is “a hundred years”.

Old Testament Passages — quotations from an Old Testament source that are typically footnoted in the text. Examples include “The righteous will live by faith” (from Hab. 2:4), and “I have made you a father of many nations.” (from Gen. 17:5).

More words and phrases could have been highlighted, such as common nouns, adverbs, adjectives, exclamations, and interrogative phrases. However, too much highlighting can make the page too “busy” and negates many of highlighting’s benefits. Feel free, however, to personalize your text with additional highlighting to suit your needs.
